

Greeting Shipmates!

Over the next couple of Weekly's we will cover each line of the Navy Ethos. This week we review the fourth line.

"We are a team, disciplined and well-prepared, committed to mission accomplishment. We do not waver in our dedication and accountability to our Shipmates and families."

This principal fits perfectly with our MCPON's philosophy of, "Ship, Shipmate, Self". We are a team, "Ship", we ensure that our "Shipmates" are disciplined and well-prepared so we can accomplish the mission. When we focus on our shipmates and hold each other accountable we create a bond of trust that allows us to accomplish more together than we could achieve on our own. The result is a far better product, team and yes "Self". After all, before you can help others be strong, you must be strong as well, so just as the saying goes, "iron sharpens iron" we gain strength when we are dedicated to each other's betterment. We owe this to our families and our Navy.

Family programs care for our service members.

Boys & Girls Clubs of America memberships are available at no cost for children of Navy Reservists who do not live near active duty installations. More than 70 percent of military families live outside military installations. Through funds provided by the Armed Services, military youth have access to a one-year, no-cost membership at a traditional Club. Today, more than 15,300 military youth are served at 1,216 traditional Clubs. Visit www.bgca.org/military and enter your zip code to find a club.

Navy Reserve eligibility for 2012 "Operation Purple Program":

Kids of Reservists serve too! The non-government organization National Military Family Association's "Operation Purple camps" are for having fun, making friends, and reminding military kids that they are the nation's youngest heroes. Tuition is free.
